Term: Spring 2

Lesson name	Lesson outline	Online link(s)	Other Resources
Relationships and sexuality	The basic principles of maintaining good relationships are the same no matter who the relationship is with. Revise, watch the video and complete test/task at the end. Write a summary on what you have learned.	https://www.bbc.co.uk/bitesize/guides/zt3ck7h/revision/7	
Healthy lifestyles – Sexual health class clips	Watch the drama clips on the following topics: <ul style="list-style-type: none"> ○ STI's and safe sex ○ teenage pregnancy ○ Teenagers and sex <i>(The drama video clips are only a couple of minutes long, but I've included all the links separately).</i>	https://www.bbc.co.uk/bitesize/clips/zyjxnb https://www.bbc.co.uk/bitesize/clips/zcgtfg8 https://www.bbc.co.uk/bitesize/clips/zaw34wx https://www.bbc.co.uk/bitesize/clips/ztx9jxs https://www.bbc.co.uk/bitesize/clips/zppwmp3 https://www.bbc.co.uk/bitesize/clips/zgrhyrd https://www.bbc.co.uk/bitesize/clips/zccpvcw https://www.bbc.co.uk/bitesize/clips/z22cd2p https://www.bbc.co.uk/bitesize/clips/zwjb9j6 https://www.bbc.co.uk/bitesize/clips/zthd2hv https://www.bbc.co.uk/bitesize/clips/z3vmpv4 https://www.bbc.co.uk/bitesize/clips/zcrhyrd https://www.bbc.co.uk/bitesize/clips/zqjb9j6 https://www.bbc.co.uk/bitesize/clips/zyf7tfr	
Reproduction, fertility and contraception (CCEA)	Most animals carry out sexual reproduction. Sexual reproduction involves the joining of two sex cells (gametes) – the sperm (male gamete) and the egg/ovum (female gamete). Revise, watch the video and complete test/task at the end. Write a summary on what you have learned.	https://www.bbc.co.uk/bitesize/guides/zpwjk2p/revision/7	
Parenting	No matter what age parenthood occurs, parents have a responsibility to care for their children and ensure that they grow up to be happy and healthy.	https://www.bbc.co.uk/bitesize/guides/z373g82/revision/2	

	Revise, watch the video and complete test/task at the end. Write a summary on what you have learned.
